

Hideaways for the FESTIVE SEASON

2026 - 2027

User Guide
PLEASE READ!

The hideaways featured here all have availability during the festive period, which runs from 15 December 2026 to 15 January 2027. If your preferred stay begins before 15 December or extends beyond 15 January, please enquire.

Click on the hideaway's name to find out more.

While we make every effort to keep this brochure up to date, dates are booked all the time – it's an ever-moving feast! If you find your perfect hideaway and the available dates work for you, book FAST! We have new properties joining our portfolio every week, and some owners have yet to release their peak dates. So, if you don't find your ideal hideaway, please send your holiday wish list to info@perfecthideaways.co.za and we'll do our best to pull a rabbit out of the hat!

Garden Route hideaways generally require a minimum stay of 14 nights - sometimes longer for bookings spanning both Christmas and New Year. Most other hideaways require seven nights over either Christmas or New Year, while some farm and inland properties have a three- or five-night minimum stay. Shorter gaps do occasionally become available, but these are rare!
